The George Bellows Grant Program provides funding in support of individual artists, artistic collaborations, and community-based organizations investing in the fundamental value of arts and culture in the Franklinton community. Activities eligible for grant consideration include public art projects, community engagement activities through the arts, and arts educational programs.

Individuals or organizations applying for project support must provide a detailed, site-specific plan that demonstrates impact within the Franklinton community and encompasses the mission of The George Bellows Grant Program.

A panel of qualified individuals will evaluate grant applications based on a set of criteria designed to determine the evidence of cultural and artistic vibrancy, as well as public benefit and access. The program will accept requests up to $500.

Application Requirements

- Must include one (1) letter of support from a collaborator or partner involved in the proposed project including organizations, churches, business groups, and/or individuals, describing their participation.
- Projects and activities must be completed within one (1) year
- Final reports including photos of work, summary of participation, and description of outcomes are due by August 31, 2016.
- Applicants may be asked to meet with the review committee to discuss their project.
- Matching funds are not required.
